The Frank L. Irvine Fund for Justice and Nonviolence

The Frank L. Irvine Fund for Justice and Nonviolence was established by South Congregational Church, United Church of Christ in Concord, New Hampshire in conjunction with the Irvine family. This Fund seeks to honor the legacy of The Rev. Dr. Frank L. Irvine, who devoted his life and ministry to the cause of justice and nonviolence.

When fully subscribed, the Fund will be administered by the NHCUCC Justice & Witness Ministry, or its successor, to assist the New Hampshire Conference in bringing speakers and preachers who are recognized advocates for justice and nonviolence to Conference-wide gatherings. Distributions from the Fund will be consistent with the rate of draw established annually by the NHCUCC Investment Mission Group. Distributions will be received from the invested principal on regular basis and held in a restricted cash account. Disbursements need not be spent on an annual basis. It is highly recommended that they be pooled for period of three years to maximize the effectiveness and impact of bringing a speaker / preacher to the New Hampshire Conference.

Initial gifts came from donations given in memory of the Rev. Dr. Frank L. Irvine after his death on July 27, 2016. Additional gifts will be solicited so that the Fund may be fully endowed with minimum of $10,000 by December 31, 2019. No disbursements will be made from the Fund until it reaches this threshold. Should the Fund not be fully endowed by said date, it will be the responsibility of the Irvine family, in consultation with the NHCUCC Justice & Witness Ministry, or its successor, to determine how the fund will be closed and disbursed.
