"Music in the Air"

The 215th Annual Meeting of the New Hampshire Conference will be an opportunity for opening our hearts and minds to the music that is all around us.

Our keynoter will be the Rev. Bryan Sirchio, an ordained minister in the United Church of Christ and a contemporary Christian singer/songwriter who defies convention, creating original music in a variety of different styles, and singing from the heart.

In addition to fellowship, business, lunchtime focus groups, and exhibits, this Annual Meeting promises to be an uplifting day of music and celebration for the New Hampshire Conference of the United Church of Christ.

In an effort to spread the word and help churches encourage participation in this event, the Annual Meeting Planning Committee has created some informational pieces, including:

- An Overview of the Event
- Tentative Schedule of the Day
- Keynoter Biography: Brian Sirchio
- Annual Meeting FAQ’s
- Event Poster
- Periodic Bulletin Inserts (to be published in August & September)
- Advanced information regarding resolutions (to be published in August)

These documents will be available digitally, on the conference website: www.nhcucc.org/ConferenceMinistries/ConferenceAnnualMeeting/
