Other Curricula Resources*:

**Godly Play**
Age Level: Experience in NHCUCC churches suggest this is best used with children in Pre-school through Grade 3
Author: Rev. Dr. Jerome Berryman
Methodology: Montessori based Faith Formation

From the churchpublishing.org website: “Godly Play is the product of a lifetime of research and practice by theologian, author and educator the Rev. Dr. Jerome Berryman. It began with the proposition that children have a natural sense of God and that what they lack is the appropriate language to help them identify and express it so it can be explored and strengthened. The Godly Play approach developed by Dr. Berryman teaches classical Christian language in a way that does not block or distort the child’s authentic experience of God but enhances it so it can contribute to the creative life of the child and the world. Godly Play teaches children the art of using Christian language—parable, sacred story, silence and liturgical action—helping them become more fully aware of the mystery of God’s presence in their lives. “
